

LEO broadband and the future of the satellite industry

1	LEO technology	1
1.1	Introduction	1
1.2	Benefits of scale in LEO	2
1.3	Multi-orbit solutions	10
1.4	Implications for LEO target market	13
2	Market opportunity	17
2.1	Overall revenues	17
2.2	Potential NGSO market shares	23
2.3	Implications for viability and buildout	28
3	Future of the industry	31
3.1	Implications for bandwidth pricing	31
3.2	Potential consolidation	34
3.3	Impact on distributors and suppliers	36
3.4	Conclusions	39
